  - all deposits into your account must be payable to the named account holder(s);
  - initial deposits into your account can be made by cheque or electronic transfer. You have 14 calendar days from the date when your account is opened and available to fund your account. After this

14 day period, all further deposits will be rejected and returned to you without interest.

6.2 You can arrange to pay money into your account by electronic transfer (BACS, Faster Payment or CHAPS).

The transfer must be made from your nominated account that was validated during the account opening process.

Interest will be earned from the date on which we receive your money.

### Payment into your account by cheque

6.3 You can pay cheques into your account. The cheques must be:

- made out in your name; and
- drawn on your nominated account

The process to clear your cheque starts on the business day we receive the cheque (Day 0).

### Topping up an existing account by cheque:

- We will credit cheques to your account within 10 business days of receipt. We will pay interest from the end of the day that we credit the cheque to your account unless we subsequently receive notice that your cheque has not been cleared.
- If we are unable to process your cheque within 10 business days, we will notify you of the delay. If the delay has been caused by us, interest will be back dated to commence on the 10th day following receipt of your cheque.

### Payments by cheque into a new account:

- We will credit cheques to your account within 10 business days following receipt of your completed account opening form and successful completion of the verification of your identity. We will pay interest from the end of the day that we credit the cheque to your account unless we subsequently receive notice that your cheque has not been cleared.
- If we are unable to process your cheque within 10 business days, we will notify

you of the delay. If the delay has been caused by us, interest will be back dated to commence on the 10th day following receipt of your completed account opening form and successful completion of the verification of your identity.

- If your cheque is not cleared any accrued interest from the date it was initially credited will be reversed from your account.

### Payments out of your account

6.4 When you open an account with us, we ask you to nominate another UK bank or building society account in your name. We refer to this account as your 'nominated account'. On receipt of your instruction we will only send money to this account, for example when we make interest payments or when you request a withdrawal.

6.5 When you tell us to make a payment out of your account to your nominated account, you must:

- give us the required notice in line with cut off times as set out in the Additional Terms and Summary Box relating to your Ethical Easy Access Account you have;
- have the money in your account to cover the payment;
- ensure that the details that we have relating to your nominated account are correct;
- tell us clearly when you want the payment to be made; and
- confirm your instructions to us in writing by using a withdrawal and notification form; and
- successfully inform us of your memorable word when we ask you to provide it.

6.6 We are not able to pay monies out from your account:

- before the end of the notice period that applies to your account;
- in cash; or
- to any account other than to your nominated account.

### Restrictions on payments out of your account

6.7 We can restrict at any time the amount which you can withdraw from your account. We will only do this if:

- a. we reasonably believe that there may be fraudulent activity or other financial crime affecting your account;
- b. we are required to do so by any law, regulation or court order;
- c. there is a dispute (which we reasonably believe may be genuine) about the ownership of, or entitlement to, the money in your account;
- d. circumstances beyond our reasonable control prevent us from offering you a normal service (such as in the event of terrorist threat, computer systems failure or strikes); or
- e. circumstances exist which lead us reasonably to believe our financial stability is under threat (such as where rumours cause actual or potential abnormal levels of withdrawal(s)).

In the case of (d) and (e) above:

- (i) we will act proportionately to the circumstances in question;
- (ii) we will take all reasonable steps to ensure that the restrictions are lifted as soon as practical and to minimise the inconvenience to you;
- (iii) we will take into account the interests of our savers as a whole;
- (iv) we will, if practical, give you advance notice; and
- (v) we may consider exceptions to the restrictions if we are reasonably satisfied that extreme hardship would otherwise be caused.

### Interest

- 6.8 Details of the interest (managed) relevant to your savings account are set out in the Additional Terms and Summary Box sheets that apply to the type of savings account you have opened with us.

## 7. Following your instructions

- 7.1 To keep your money safe, and to avoid mistakes, we will only follow your instructions if we think:
  - **they are complete** – your instructions contain all the information we need;
  - **they are clear** – we understand your

instructions without difficulty; and

- **they come from you** – we reasonably believe that the instructions are from you and we received written instructions signed by you confirming them.

### How to give us instructions

- 7.2 To avoid any misunderstandings or delays, please send us a completed withdrawal and notification form (signed in accordance with your mandate) by email to enquiries@charitybank.org

### When we do not have to follow your instructions

- 7.3 We will generally carry out your instructions if they are legal. However, we do not have to follow an instruction if:
  - it is not complete or clear, or we do not think it came from you;
  - you do not have the money available to cover the payment request;
  - by carrying out the instruction we might break the law, regulation, code or other duty that applies to us, or it might expose us to claims from third parties;
  - we reasonably think that a payment into or out of an account is connected to fraud or any other criminal activity, including where the funds are being obtained through deception; or
  - we become aware that there is a disagreement or a potential disagreement between joint account holders.

## 8. Changes we can make to this agreement

### Sometimes we will want or need to change the terms of our agreement with you

- 8.1 Notification of changes to the agreement:
  - 8.1.1 If we have a valid reason for doing so, we may change the Terms of our agreement with you, by giving you at least 30 days' notice before the change comes into effect.

- to proportionately reflect legitimate cost increases or reductions associated with providing the particular account, service.

### 8.1.3 Reasons for making changes to any part of the agreement

If any one of the following reasons applies we can change any part of this agreement by giving you at least 30 days' notice:

- to make the Terms easier to understand or fairer to you;

- to make improvements to the services we provide which are of benefit to you or replacing a service we already offer;
- we are upgrading your account to a different type of account, as long as this is better for you, and you don't have to pay a higher fee as a result;
- we are introducing a new service that requires a change to the Terms (in this case, we can introduce a new charge for it);
- we are moving you from one type of account to another without upgrading you (this might happen if you're paying for an account you rarely use, or if you no longer qualify for a particular account or associated features, for example if you move abroad);
- we are withdrawing a service or type of account as it is out of date or not being used (by you or our customers in general); or
- if we reasonably believe the change is necessary in the interests of our business as a whole, for example to protect our financial strength.

### 8.1.4 Effect of changes

- If we give you notice of any changes under this paragraph, and you are not happy with the proposed changes, then for a period of 60 days from the date of our notice you have the right to switch or close your account without charge or without providing prior notice.
- You must inform us that you are not happy with the proposed changes before the expiry of the 60 day notice period otherwise you will be deemed to have accepted the changes.

## 9. Changes to interest rates

### How we notify you of changes to interest rates

#### 9.1 We will give you notice of any change we make to the interest rates which apply to your account as follows:

- If we are changing the interest rate in a way that is to your advantage we will inform you within 30 days of the change by either writing to you by letter or email, or publish it on our website: <https://www.charitybank.org>; or

- If we are changing the interest rate in a way that is to your disadvantage and your savings account has a balance of £100 or more we will inform you at least 14 days before the change by either writing to you by letter or email.

If there are normally restrictions on your account you can switch it or close it without notice, charge or loss of interest.

#### 9.2 Reasons for changing interest rates

#### 9.2.1 We may change the interest rates which apply to your account:

- to respond proportionately to a change in the Bank of England's base rate or any other publicly listed market rate:

- to reflect changes in the law or a decision by an ombudsman;
- to meet changes in regulatory requirements; or
- to reflect changes in any applicable codes of practice.

## 10. If something goes wrong

### If payments go wrong, do not happen, or if we make a mistake

10.1 If we make a payment following your instructions to your nominated account and the bank says it did not receive it, then we will refund you as quickly as we can, and put your account back as if it had not happened. This does not apply if:

- your payment instruction was not correct. In this case we will make reasonable efforts to recover your money if the payment has gone missing but we may charge you a fee to cover our costs in doing so. We will give you an estimate as to how much this is expected to be before we start; or
- we can show that the payment was actually received by the other bank (in which case they are liable).

### If someone takes an unauthorised payment from your account

10.2 If you tell us a payment from your account was not properly authorised (for example, someone else made it), you can ask us for a refund, including interest you have missed out on.

If we have reasonable grounds to think you are not entitled to a refund at the point you ask for one, we may look into your claim further before refunding the money. This could include asking you to give us some information in writing. We will do this as quickly as possible so that, if we find that the payment was indeed unauthorised, we will refund you and put your account right straight away.

We will also not give you a refund if we have reason to think you have acted

fraudulently, and we may involve the police in such cases.

### If you're tricked into sending money by bank transfer to a fraudster

10.3 You may claim a refund if you're a victim of Authorised Push Payment (APP) fraud. This is when you believe you have been tricked into sending money to us, but in fact suspect you have sent payment by bank transfer to a fraudster.

If you are entitled to a refund, we shall usually make payment of this within 5 working days up to a limit of £85,000\* provided;

- The claim is made within 13 months of the fraud occurring.
- The fraud occurred on or after the 7th October 2024.
- Payment was made by bank transfer.

If we need more time to investigate your claim, we shall 'stop the clock' as permitted within the rules and take no longer than 35 days to reach a decision before payment can be made.

We reserve the right to deduct a £100 excess from the refund, unless you're a vulnerable customer. We shall advise you in advance of any payout if this is the case.

\* This limit is subject to review by regulators and may change from time to time.

### Reporting a fraud or suspected fraud on your account

10.4 Report an APP fraud by contacting us by email: [enquiries@charitybank.org](mailto:enquiries@charitybank.org) or phone: **01732 441 944**. We shall advise of any information we require to investigate your claim.

Please advise us even if you have not fallen victim to the scam or making a claim, so we can help protect others.

### When an APP fraud claim may not be covered

10.5 Each claim is assessed on a case-by-case basis reviewing its merit and the law. To support a successful claim you must;

- Tell us about the suspected fraud as soon as you become aware of it.
- Provide us with any information that we reasonably ask for to allow

us to investigate your claim.

- Allow us to report the fraud to the police on your behalf (or you must report it to the authorities, if we ask you to). If you don't, this could affect whether you are entitled to a refund.

We may not refund all claims. We **will not** provide you with a refund if any of the following apply:

- You have made a payment from your account to another account in your name.
- On payments made before the 7th October 2024.
- Claims made more than 13 months after the fraud took place.
- If you have acted with gross negligence, such as by ignoring direct warnings from us or another bank or making further payments after reporting the fraud.
- If a claim includes false information or there's attempted fraud by the sender.
- You are involved in the fraud in question.
- Payments sent or received by credit unions, municipal banks and national savings banks.

We will always consider all the relevant facts, including your personal circumstances, when deciding how to deal with a claim for a refund.

### Keeping your money safe against fraud

## 11. Protecting your information

### We carefully safeguard the information we hold about you

- 11.1 The information we hold about you comes from you, relevant third parties (Credit Reference Agencies) and from your use of your account and your interactions with us. We typically process your personal and contact details along with your bank account number and date of birth. We will process this data in order to run and monitor your account (contractual

obligation) and to send you relevant information (contractual obligation / legitimate interest). We will keep these details on our files for as long as the account is open and for a period of no more than 12 years from account closure. If you would like to know more about how we process your personal data, please refer to the Privacy Notice on our website (printed version available on request). At times we will involve trusted third parties in the processing of your personal data and where we do so you will find relevant details in our Privacy Notice. If you would like to change the way we process your data at any time, you should contact enquiries@charitybank.org or write to us at Data Protection, Charity Bank, Fosse House, 182 High Street, Tonbridge, Kent, TN9 1BE.

### How we use your information

11.2 We collect information about you to be able to provide our services to you and to inform the development of new and improved products and services to meet the needs of our customers. We also use your information for security, identity verification and training, to communicate with you and to comply with the law. Specifically, we may use your information to:

- manage your account(s) with us;
- carry out regulatory checks and meet our obligations to our regulators;
- protect ourselves against harm to our rights and property interests;
- develop and improve our services through assessment and analysis of the information including credit or behavioural scoring (or both), market and product analysis, and market research;
- prevent and detect fraud and money laundering;
- detect other crime (such as identity theft);
- improve the relevance of marketing messages we may send you; and
- we may also monitor or record any communications between you and us including, but not limited to, telephone calls. We will use these recordings to check your instructions to us, to analyse, assess and improve our services to customers, and for training and quality purposes.

### Who we can share your information with

11.3 We are the data controller for the purpose of current data protection legislation, including the General Data Protection Regulation (ICO registration Z6540626). By applying for an account with us you agree that we may process the personal information (including sensitive personal information) that we collect from you in accordance with our Privacy Notice, which you can request from us or view on our website. In particular, we may use information we hold about you for the purposes of providing the products or services you have requested or to provide you with details or information about products, services or events of ours which we think may be of interest to you. Personal data may be transferred outside the European Economic Area, but if this is the case we will make this clear in our Privacy Notice on our website. By applying for an account with us, you agree to this transfer, storing and processing. Please address any questions, comments and requests regarding our data processing practices to our Data Protection Lead [gdpr@charitybank.org](mailto:gdpr@charitybank.org) of Fosse House, 182 High Street, Tonbridge, Kent, TN9 1BE.

We will keep your information confidential but we may share it with the following (who are also bound to keep it secure and confidential) if we have a duty to disclose it, if it is required for the management of your accounts, a law or regulation allows us to do so, or for legitimate business purposes:

- your advisers (such as accountants, lawyers, financial advisers or other professional advisers) if you have authorised anyone like this to represent you, or any other person you have told us is authorised to give instructions or to use the account on your behalf (such as a power of attorney);
- our service providers and agents (including their sub-contractors). This may include for example, where we pass your details to someone who will print your statements;
- credit reference agencies;
- payment-processing service providers and others that help us process your payments;
- UK and overseas regulators and authorities in connection with their duties

(such as crime prevention) – for example, because of the way certain payments work the regulator or authority may be able to access payment details (including information about others involved in the payment). In instructing us to make payments you agree to this for yourself and any others involved in your payments; or

- fraud prevention agencies. In particular we will always tell fraud prevention agencies if you give us false or fraudulent information. They will also allow other organisations (in the UK and abroad), including law enforcement agencies, to access this to this information in order to prevent and detect fraud, money laundering or other crimes.

### Links with other people

11.4 Your information may be linked to people who are associated with you, such as your partner or other members of your household. These linked records are called associated records. Any enquiry we make at a credit reference agency may be answered with reference to any associated person's records.

Another person's record will be associated with yours when:

- you are making a joint application;
- you tell us about a financial association with another person; or
- the credit reference agencies have existing associated records. This association will be taken into account in all future applications by either or both of you. It continues until one of you applies to the credit reference agencies and is successful in filing a disassociation, which allows your information to be unlinked.

### Cookies

11.5 We may use cookies and similar technologies on our website and in our emails. Cookies are very small text files that may be stored on your computer or mobile device when you visit a website or enable images or click on a link in an email. These technologies do many different things, such as letting you navigate between web pages efficiently and remembering your preferences. For example, they can help us to verify if you have opened an email and the ways in which you have interacted with it. Our website gives you more information on

these technologies, how and where we use them and how you can control them.

### Sharing information about you with tax authorities abroad

11.6 If we have reason to think that you are required to report your income or are subject to tax in another country, we may have to share information about your accounts with the UK or relevant tax authorities, either directly or via the local tax authority who may share that information with the appropriate tax authorities abroad. If we need to request extra documents or information from you about this, you must supply these. If you don't, you agree that we may close your account, or, if the law or other regulations requires us to do so, you agree that we may withhold parts of certain payments received into your account, and pass withheld funds to the relevant tax authorities (this is more likely if you leave the UK and become resident for tax purposes in another country).

### How long will we keep your information

11.7 If you or we close your account, or if your application for an account or product is declined or you decide not to go ahead with your application, we will keep your information in accordance with our Data Retention Policy, to help prevent fraud and other financial crime, and for other legal and regulatory reasons. We will send you a copy of this policy, if requested.

- if we reasonably believe that maintaining your account might damage our reputation.

#### If either you or we end this agreement:
